## HEAVY FINES FOR BURKES

## HEAVIEST FINES SUSPENDED

Must Discontinue Sale of Even Soft Drinks—Brothers Pleading Guilty in Mayor Seiler's Court—Some of Charges Are Withdrawn.

After much dickering on the part of the attorneys for the defense and the attorneys for the prosecution and after many decisions had been handed down by Mayor J. G. Seiler, two bootlegging cases against Carl and William Burke were settled in the mayor's court Monday afternoon. As a result of the legal proceedings the brothers must do these things: William Burke must pay a fine of \$300 for violating the liquor laws and Carl E. Burke must pay \$200 for the same offense.

Both must pay the costs of all cases against them, which will amount to approximately \$150.

They must discontinue the sale of all drinks, temperance drinks included, in their place of business on north Main street.

The screen in their place of business must be removed so that passers by will have an uninterrupted view to the rear of the room.

If the Burkes are found guilty of carrying on illicit liquor traffic in the future, William must pay a suspended fine of \$500 and Carl must pay a suspended fine of \$750.

Up to the time court convened yesterday afternoon, William Burke had been found guilty of selling liquor and fined \$200 and costs and Carl Burke had been found guilty of the same offense and fined \$100 and costs. Both cases were to be carried to the common pleas court and the Burkes had given bond for their appearance before that court for trial.

There remained to be tried, two cases charging Carl Burke with selling, furnishing or giving away intoxicating liquors and six cases against Carl and William, charging them jointly with being the keepers of a place where intoxicating liquors were kept for sale. All charges had been preferred by Ernest R. Harvey and William H. Proper, dry detectives.

The two cases against Carl Burke for selling liquor were withdrawn. When arraigned before Mayor Seiler, both pleaded not guilty to all the charges against them but yesterday several of these pleas were changed. Both pleaded guilty to the first charge of keeping a place and were fined \$100 each. They pleaded guilty to the second and third charges of keeping a place and Mayor Seiler imposed a fine of \$50 on each man for each case.

At this juncture of the proceedings the fourth, fifth and sixth joint charges of keeping a place where intoxicating liquors are kept for sale were withdrawn against William Burke with the understanding that he was to pay \$200 of the total fine and all the costs in the cases against him and \$600 of the fine was to be suspended under the conditions mentioned above.

## ELECTION BOARD LETS CONTRACT

Columbus Firm Gets Poll Books and Tally Sheets.

## ELECTION JUDGES AND CLERKS

Will be Announced Within a Few Days.

Board Awaits Opinions From the Attorney General Regarding Several Situations That Have Arisen Regarding the Residence of Candidates For Township and Village Assessor—Five Tickets Are to be Voted in the City.

Contracts for the publication of the poll books and tally sheets for the coming election, were let to the Columbus Blank Book Manufacturing company at a meeting of the Board of Elections, held Monday afternoon.

Five sets of books will be necessary for the cities and villages of the county this fall while it will require four sets of these books to take care of the balloting in the townships. In the city there will be a municipal ticket, a township and city ticket, a separate ballot for Justice of the Peace, one for members of the board of education and one for delegate to the constitutional convention.

The names of the judges and clerks will be ready for announcement during the latter part of the present week, several townships not having been heard from up to this time.

The members of the board of elections are also waiting for an opinion from Attorney General Hogan as to several matters that have been submitted. One, for instance, is whether or not a candidate for township or village assessor must reside in the village, or township, from which he is nominated. Down in Waldo, O. S. Anthony, who resides in the village, was nominated at the late primary, as township assessor. The board wishes to know whether or not it is necessary to have a candidate nominated in the township outside the village. Questions similar to this have arisen and must be determined before the ballots are printed.

**Averts Awful Tragedy.** Timely advice given by Mrs. C. W. Longmire, of Marengo, Wis., (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her faithful dog was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote, "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchitis trouble." This matchless medicine has no equal. ## HOGAN IS TO ASSIST JUSTICE

Will Help Prosecute Smith Case in Supreme Court.

## A DECISION IS EXPECTED SOON

Transcripts of Evidence Ready For the Court.

Mouser and Moloney Will Also be Associated With Mr. Justice in Presenting a Very Interesting Case to the Court of Last Resort—Examiners Appointed to Examine County Commissioners' Report. News of Common Pleas Court.

Prosecuting Attorney Charles L. Justice hopes to have a decision from the supreme court within the next six weeks, in the locally famous embezzlement case against Loring J. Smith, in which the circuit court recently upset the conviction secured in the common pleas court, by holding that Smith was not guilty of embezzling money.

Monday Mr. Justice went to Columbus to consult Attorney General Hogan about the matter and that gentleman, who was prominent in the prosecution of Circuit Judge Donnell, on a charge of embezzlement, assured Mr. Justice that he would gladly associate with him in the bringing of the matter before the supreme court.

Attorney General Hogan will attempt to have the case advanced on the supreme court docket, and, if successful, the matter will be submitted and a ruling secured within the next six weeks.

Smith, it will be remembered, was the secretary of the Ohio Milling & Elevator company of Marion. He was charged with the embezzlement of \$198 and was convicted in the common pleas court, being sentenced to two years in the Ohio penitentiary. The circuit court held that inasmuch as the Ohio Milling & Elevator company had no funds in the bank at the time Smith issued his check, which was applied to the extinguishment of interest on certain notes of his held by another bank, he could not be guilty of embezzlement within the law. It is an interesting case in which local legal talent is divided in opinion and the decision of the supreme court is awaited with the deepest interest.

Mouser & Moloney are associated with Mr. Justice in taking this matter to the supreme court and will appear with him before that body.

Attorneys John H. Barrman and Emerson W. Schenck have been appointed by Judge W. E. Scofield, of
